Lots of New Things at the Canteen!

The P&C recently purchased a blender for making smoothies at the canteen. Students will now be able to buy a yummy, healthy refreshment to give them energy through the hot days of Term 4. The smoothies will be made from fruit, ice and milk so students will have lots of energy and nutrition to power through the school day!

Another recent addition to the canteen is the new fridge that stocks healthy ‘Wild’ juices as well as all the regular items offered at the Canteen.

The school and the P&C would also like to congratulate Mrs Coe on her successful Food for Kids 2015 grant!

Mrs Coe secured the grant through Swanny’s Foods of Coonamble and NAFDA.

Mrs Coe said she is going to put the money towards purchasing a new freezer for the canteen.

Congratulations and thank you Mrs Coe!

Class Focus: 5/6S

WOW hasn’t the year flown! Who would have thought it would be Term 4 already and Year 6’s last term at primary school?! Certainly not the year 6 students in 5/6S! From the vibes within the class I’m not sure Year 5 can believe it’s only around the corner before they’ll be entering their last year of primary school.

We have been very busy this past week getting back into the swing of things and boy, haven’t we been working hard! We definitely haven’t let a learning opportunity go by.

5/6S were lucky to get our hands on a DVD about Coonabarabran from 40+ years ago. All students were very engaged, watching in amazement of the changes the town has seen over the years. We were all very eager to discuss our families’ background and what they knew about the town many years ago. This prompted a visit from Mrs Watton who helped us understand how both Aboriginal and non-Aboriginal people lived in the town many years ago.

This term we have a lot to look forward to, especially our week long excursion to Lake Keepit which won’t be too far away.

We are looking forward to the new and exciting learning opportunities this term has in stall for 5/6S.
